TOWNSHIP OF NEWTOWN
DELAFRE COUNTY, PENNSYLVANIA

SUMMER CLEANUP REQUEST FORM

In light of the recent storms, Newtown Township is offering a Summer Storm Cleanup Collection during the month of July, 2015. During this event, Public Works crews will be providing a one-time pick-up of branches and tree limbs throughout the Township for any resident who requests it.

Branches and tree limbs need to be cut into lengths no longer than 4’ and be smaller than 4” in diameter. They must be stacked neatly at the curb with cut ends facing the street. Leaves, grass clippings and brush will not be accepted.

Public Works will handle the proper disposal of these limbs and branches. There is no cost to residents for this pick up. However, this service is for residents only, and is not available to landscaping companies or to business properties.

To schedule a one-time tree limb and branch pick up from your residence during the month of July, please choose one of the following:

- E-mail this completed request form to pw@newtowntwpdelco.org,
- Fax your completed form to 610-356-8722, or
- Drop off your completed form at the Newtown Township Municipal Building located at 209 Bishop Hollow Road, Newtown Square, PA 19073.
