

Donations Warehouse

The Community Action Agency of Delaware County operates a Donations Warehouse, located in Folcroft, PA. We are always in need of furniture and household items in good condition which can then be given to our clients in emergency shelters or families who are leaving the shelter and setting up a new apartment. We also help victims of domestic abuse, fire, and other disasters by partnering with more than 25 local social service agencies.

We pick up and deliver!

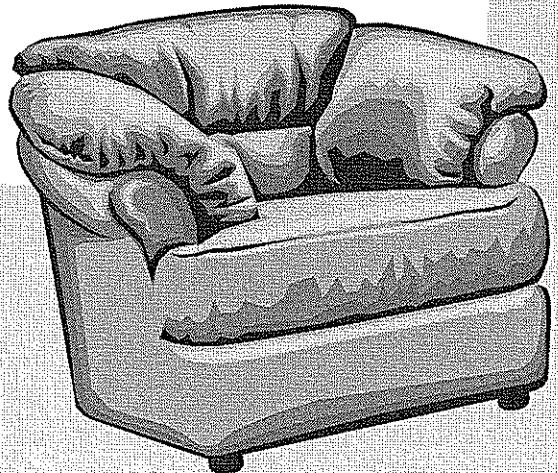

Help the Needy of Delaware County!
