

Keep Newtown Township's Hanging Basket Campaign for 2015 Growing!

Every year, Newtown Township residents and businesses express how magnificent the overflowing hanging baskets look adorning our main streets.

In our continuing effort to improve the program, this coming season the hanging baskets are undergoing a huge transformation. Each basket will have built-in reservoirs that re-supply moisture to the soil allowing them to be watered every other day instead of every day. This highly successful design provides a unique wicking system that impedes rapid water evaporation.

We've determined that there are certain flowers that have a greater tendency to re-bloom more quickly, and whose blooms last longer. We're using these in increased numbers, and hoping to find additional color options for the future. We have Mostardi Nursery to thank for the thoughtful plant selection and growing.

This is a wonderful addition to our Township that can only continue with YOUR support. The Hanging Baskets are funded only through donations. Please, we need your support to keep this program "blooming."

Please mail or drop off your donation and completed form below for Newtown Square's 2015 Blooming Hanging Basket Campaign to:
Newtown Township Building, 209 Bishop Hollow Road, Newtown Square, PA 19073, Attn: Catherine (or give to an EAC member).

*Please make checks payable to "Newtown Township EAC". **Thank you!***

New donors making a gift of \$ 100.00 or more will receive a beautiful framed and matted watercolor print by Tom Watkins pictured at left.
